As part of ongoing professional development, 21 specialists from the anti-corruption and compliance departments of JSC “Uzkimiyosanoat” and its subsidiaries have successfully completed a specialized training course. The program was conducted in collaboration with the Academy of Law Enforcement and the Anti-Corruption Agency.

The 10-day course, titled “Ensuring the Effective Functioning of the Anti-Corruption Management System,” was delivered via the Virtual Academy for Anti-Corruption platform.

Participants gained comprehensive theoretical knowledge as well as practical skills in identifying and analyzing corruption risks, developing preventive strategies, and implementing effective anti-corruption measures.

This training equips employees to design and apply robust anti-corruption mechanisms within their organizations, promoting greater transparency and ethical business practices.
