The "Uzkimyosanoat Cup" Has Been Awarded to Its Winners!

Sports are the foundation of a healthy lifestyle. Physical activity not only strengthens health but also boosts team spirit, fosters unity, and builds solidarity. The "Uzkimyosanoat Cup" championship was organized with exactly this purpose in mind.

It is worth noting that each day of the tournament was filled with intense and exciting matches, showcasing fierce and uncompromising competition.

Today, a festive awards ceremony was held at the Tashkent branch of the Russian Chemical-Technological University (RCTU) to honor the winners of the championship.

The First Deputy Chairman of the Board, Yevgeniy Korzhikov, participated in the event, congratulating the winners and prizewinners. He emphasized the importance of such tournaments in strengthening teamwork and promoting a healthy lifestyle.

The winning teams and active participants were awarded commemorative gifts, diplomas, and cash prizes.
